Dear Sirs,

**RE: REFERENCE**

Further to your written request we respond as follows.

The DL Company do work well on our projects. Their work is to a high standard, both in terms of the work carried out and in the way their operatives conduct themselves on site.

The DL Company have provided a quality service whilst also offering a competitive price.

The operatives employed are greatly experienced and offer sound technical advice. This is also backed up by the support of the senior management team of The DL Company.

The DL Company do not appear to be a claims consciences sub-contractor and any additional work requested has been priced quickly and fairly.

Their operatives work in a safe manner and always uphold the J.F. Finnegan Zero Tolerance Policy.

If the opportunity arises on future contracts we would be more than confident to employ The DL Company.

Yours faithfully,  
J F FINNEGAN LIMITED.
